PROGRAMS

TRANSPORTATION DEMAND MANAGEMENT (TDM)

Strategies to reduce traffic congestion and expand transportation options.

- Free consultation to help local employers develop TDM strategies that are most appropriate for their specific workforce
- Valuable resources and information on incentives, grants, and funding for transportation options
- TDM education to commuters, employers, and local communities

BETTER BIKING IN MONTCO

- Education and resources for safe bike riding
- Free fitted bike helmets at select events
- **Bike Share Program:** A free community resource with a fleet of 22 bicycles & tricycles at 8 locations for commuting, errands, and recreation
- Promote and support *Bike Montco: The Bicycle Plan for Montgomery County*

TRANSPORTATION OPTIONS

- Promote transportation options that support a vibrant economy, connected communities, and better air quality
- Options include public transit, shared rides, electric vehicles, bicycling, and walking
- Provide education so people can choose from reliable, affordable, safe, healthy, and sustainable options that suit their needs

OUR MISSION

- **Expand & Enhance** transportation options
- **Ease** traffic congestion
- **Educate & Engage** our communities on issues of land use, the environment, and healthy lifestyles

ABOUT PTMA

The Partnership TMA of Montgomery County is a nonprofit 501 (c)(3), established in 1993. It collaborates with 150+ public and private sector partners to develop, deliver, and manage services and programs.

SERVICES

- **MONTCO TRANSPORTATION HELPLINE** - A free service for individuals and employers to learn more about local transportation options **866.507.4857**
- **TRAVEL TRAINING** - In-person and virtual training on utilizing public transit to support young adults with autism so they can access employment, services, and learn to travel independently
